

**Master**

The eyes of the Lord are over the righteous,  
His ears are turned to their prayers,  
Many are the troubles of the righteous,  
He shall deliver you from them all,  
Many are the stripes and chastisement of sinners,  
They that set their hopes on the Lord,  
Mercy shall compass them round about,  
He shall come quickly and not tarry,  
The Lord shall come suddenly into His temple,  
The Holy One whom you expect,  
The Master continuously showed us the resurrection,  
He made the Lord Jesus the first-fruit,  
The sower went into the field and cast seeds,  
Each falling into the earth dried then decayed,  
Out of their decay the Master's providence raised them up,  
From being one they increase manifold and bear fruits,  
You shall raise me up and I praise You,  
Let our faith in Him be kindled inside us,  
The good workman received the bread of his work with boldness,  
The slothful and careless dared not look the employer in the face,  
Let the rich minister aid to the poor,  
Let the poor give thanks to God because,  
He has given one through whom,

His wants and needs may be supplied,  
Open the gate of righteousness that,  
I may enter in and preach the Lord,  
This is the gate of the Lord,  
The righteous shall enter in thereby,  
We set our hope in Your name,  
Which is the primal source of all creation,  
Open the eyes of our hearts that we may know You,  
Who alone abides highest in the lofty,  
Holy is the Holy Zebaoth, who sets the lowly on high,  
The Rescuer of them that are in peril,  
The Savior of them that are in despair,  
Have mercy on the lowly; lift up the fallen,  
Comfort the faint-hearted; convert the wanderers of Your people,  
Let all souls know that You alone are God,  
We are Your people and the sheep of Your pasture,  
You are marvelous in strength and excellence,  
We render obedience to Your most excellent name,  
O Heavenly Master, King of the ages,  
Give unto us glory, honor and power,  
Over all things that are upon the earth,  
We praise Your holy name,  
The High Priest and Guardian of our souls; Jesus Christ,  
Unto You be glory and majesty, honor and power,

Eternal dominion and greatness to God,  
From the ages past unto eternity,  
O mighty love; unsurpassable perfection,  
All things are arranged according to Your will and pleasure,  
If a man rejects Your command; his life is preserved,  
Perhaps he will repent and reflect that,  
He must be delivered into the hands of death,  
If a man being zealous of good works; his life is prolonged,  
That upright men may imitate him,  
When you see a man whose mind is prone to anger,  
His days are shortened because,  
They are taken in the flower of their age,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### **Faithful**

Together we shall ascend to heaven's high abode,  
To converse with angels and rejoice with God,  
With a patient mind run your course,  
Rejoice in the suffering and pain,  
You would do it if you could see,

The end of all events as well as He,  
Labor is rest and pain is sweet,  
If You, my Lord, are here,  
O may Your angels, while we sleep,  
Around our beds vigils keep,  
Their angelical love instill,  
Stop every avenue of ill,  
Love makes all distinctions vain,  
Though it seems to tarry long,  
True and faithful is His Word,  
Even these wandering gleams of light,  
Have made you sit some moments on a throne of love,  
You may never leave the skies,  
Never stoop to earth again,  
Obedience is our pure delight,  
To do the pleasure of our Lord,  
Secluded from the world and all its cares,  
Do you have joy or grief, hope or fear,  
Be zealous to God and you will see the fruit of your labors,  
Now is the time to regain the whole Image of God,  
Wherein you were created,  
O be satisfied with nothing less,  
You will receive it by simple faith,  
The Lord increase with your faith,

Seek your happiness in God alone,  
You will never be disappointed,  
Because all promises are sure,  
To persevering prayers,  
While you have the light, walk in the light,  
And it will continually increase,  
You are suffering the Will of God; glorify Him in the fire,  
Far, far beyond my thoughts,  
His counsel shall appear,  
On earth, in paradise and in heaven,  
Our all in all is love,  
The Lord fire your heart with this,  
Now, Faithful, speak up for your God,  
Fear not the wicked's malice nor their rod,  
Speak boldly; truth is on your side,  
Die for it and n triumph ride to life eternal,  
Brave, Faithful, bravely done in word and deed,  
When sinners are deed eternally you shall live from age to age,  
Well, Faithful, you have faithfully professed,  
Unto your Lord in whom you shall be blessed,  
When faithless ones, with all their vain delights,  
Are crying out under their hellish plights,  
Sing, Faithful, sing and let your name survive,  
Though they killed you; yet you are alive,

Behold how these streams glide,  
To comfort pilgrims by the highway side,  
The meadows green, beside their fragrant smell,  
What pleasant fruits these trees yield,  
I sell all to buy this field,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### Pilgrims

Thus, by the shepherd secrets are revealed,  
Which are concealed from other men,  
Come to the shepherd if you would see,  
Things deep and hid that are mysterious,  
Those that have no understanding,  
Although God made them,  
He will not save them,  
Esau sold his birthright for a mess of pottage,  
That was his greatest jewel,  
Esau could see no further than to the fulfillment of his lust,  
Behold I am at the point to die,  
What profit shall this birthright do me?

The faithless are like Esau,  
When their minds are set upon their lusts,  
They will have them whatever the cost,  
Though faithless ones can outrightly sell themselves,  
For carnal lusts and the pride of life,  
The faithful can never do so,  
Unless I obtain the righteousness,  
Of a man that never had sinned,  
Neither my own nor all the righteousness,  
Of the world could save me,  
Can such a man be found of whom,  
It might be justly said that he had never sinned?  
It is the Lord Jesus Christ, who dwells,  
On the right hand of the Most High,  
You must be justified by Him alone,  
By trusting what He did in the days of His flesh,  
Go and you shall find Him upon the Mercy Seat,  
Where He sits all the year long,  
To give pardon and forgiveness to them that come,  
God, be merciful to me a sinner,  
Help me know and believe in Christ Jesus,  
If His righteousness had not been or I had no faith in that righteousness,  
I would have been utterly cast away,  
You are the merciful God that You,

Ordained Your only Son to be the Savior of the world,  
 You are willing to bestow Him upon,  
 Such a sinner as I am,  
 Without the righteousness of Christ,  
 All the world could never save me,  
 Though it tarry long, wait for it,  
 Because it will surely come, it will not tarry,  
 All our righteousness stinks in His nostrils,  
 He cannot abide to see us,  
 Stand before Him in any confidence,  
 Even in all our best performance,  
 Jesus take me to the land,  
 Where my joy is complete and overflowing,  
 Where my love in you is perfected,  
 Take me to the country,  
 Which is eternal home to pilgrims,  
 When I cross the boundaries of eternity,  
 To live close to Your heart forever,  
 I will sing eternal praises to You,  
 Victory to the Prince of peace,  
 Whose vineyards and gardens are these?  
 They are the King's and are planted here for His delight,  
 For the solace of pilgrims,  
 The Lord reigns forever and ever,

Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### Saints

You are going now to the paradise of God,  
Where you shall see the Tree of Life,  
Eat of the never fading fruits thereof,  
When you come there; you shall be given white robes,  
Your walk and talk shall be with the King,  
Even unto all the days of eternity,  
Because the former things are passed away,  
You will receive comfort for all your toil,  
Have joy for all your sorrow,  
You must reap what you have sown,  
Suffering for the King by the way,  
In that place you will wear crowns of gold,  
Enjoy the perpetual sight and vision of the Holy One,  
Because you shall see Him as He is,  
You shall serve Him continually with praises and shouting,  
Whom you desired to serve in the world,  
Your eyes shall be delighted with seeing,  
Your ears with hearing the pleasant voice of the Almighty,

You shall be clothed with glory and majesty,  
And put into an equipage fit to ride with the King of Glory,  
When He shall come with sounds of trumpets in the clouds,  
You shall come with Him,  
When He shall sit upon the throne of Judgement,  
You shall sit by Him,  
When He shall pass sentence upon all workers of iniquity,  
You shall have a voice in that Judgement,  
When He shall again return to the city,  
You shall go too and be ever with Him,  
These are the men who love our Lord while in the world,  
They left all for His holy name,  
He has sent us to fetch them,  
We have brought them thus far in their desired journey,  
That they may go in and look their,  
Redeemer in the face with joy,  
Blessed are they who are called,  
To the marriage supper of the Lamb,  
O by what tongue or pen can their glorious joy be expressed,  
Those saints are come from the city of destruction,  
Because of the love they bear for the King of this place,  
God loved Job on the dunghill with only a potsherd,  
As well as He did in all his piety,  
Never can I doubt the love of God for my soul,

All that is within me bless His holy name,

I will not open my mouth before the Lord except to bless Him,

I want more light; more strength in my walk with God,

He will give it to me through Christ,

All the children of God unite in love,

Peace and joy in the Holy Spirit,

People want to place salvation by works,

In the room of salvation by faith,

A fire is kindled in the church,

The house of the living God,

The fire of love of the world,

Bitter zeal of ungodliness and unrighteousness,

O who will come and help quench it?

A little handful of men have made a beginning,

They will not leave off till the building is saved,

Or they sink in the ruins of it,

The Lord reigns forever and ever,

Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.

### Crucifixion

Jesus is truly the great I AM,

Our God is a wonderful God,  
Roman soldiers nailed Him to the cross,  
His blood dripping and running down,  
Not just the hands but from all over the body,  
Beaten so badly I want to comfort my Lord,  
At once the eyes of the Lord looked at the men,  
They fell backwards but soon continued,  
They lift up the Lord on the cross,  
Angels by the thousands invisible,  
To the human eye were at the crucifixion,  
They place every drop of blood,  
That Jesus shed in vessels,  
They carried the blood to heaven,  
And laid it on the mercy seat,  
Just as atonement was made by,  
Applying the blood of animals,  
To the mercy seat in the holy of holies,  
Jesus blood was applied to the mercy seat in heaven,  
His blood alone is able to atone,  
For the sins of the whole world once and for all,  
His angels were crying as they carried the,  
Blood to the mercy seat,  
The precious treasure they carried,  
Represented a tremendous sacrifice,

He knew that He had to carry the weight,  
Of the whole world on His shoulders,  
He was willing to do it,  
To save us from a burning hell,  
O what He has done for you and me,  
You died on the cross and rose again,  
So that I can have a new life in You,  
Wash away my sins through,  
Your cleansing blood and make me clean,  
He instructed Moses to place,  
Replicas of two cherubims on each end,  
Of the mercy seat; upon which,  
The blood of atonement would be sprinkled,  
It is a reminder of Christ's great sacrifice,  
On our behalf that restores us to the very presence of God,  
As if we had never sinned,  
Seraphims celebrate the Holy One of Israel,  
They are aflame with love for God,  
Their devotion should inspire,  
Deep love for God in us,  
See the kindness and goodness of the Lord,  
His mercy endures forever,  
I sent my only Son to die on a tree,  
So that no one needs to be lost,

Repent and I will send a time of blessing,  
Hate sin but love the sinner,  
By this love all men shall know,  
That you are My disciples,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### Second Coming

His call was heard like the sound of a trumpet,  
And the voice of an archangel,  
The whole earth shook,  
Out of the graves came,  
The righteous to meet the Lord in the air,  
The horns blows and the seas gave up their dead,  
Lord Jesus stood atop the clouds,  
In vestment of fire and beheld the glorious scene,  
The sound of the trumpet was heard again,  
Those who were alive and remained on earth,  
Ascended to meet them,  
I saw the redeemed as millions of points of light,  
Converging on a gathering place in the sky,

Angels gave them robes of the purest white,  
O great rejoicing,  
A new body was given to the redeemed,  
They were transformed as they passed through the air,  
Glory to the King of kings,  
High in the heavens I beheld a large,  
Spiritual body of Christ lying on the bed,  
Blood dripped to the earth,  
The body grew larger and larger,  
Till it filled the heavens,  
Going into and out of it were millions of the redeemed,  
When it was full of men, women and children,  
From every nation and tongue of the earth,  
With a mighty voice they praised the Lord,  
Millions were seated before the throne,  
Angels brought books, from which judgement was read,  
There was the mercy seat,  
Rewards were given to many,  
Hear, O earth, the King is coming,  
The King of kings and the Lords of lords,  
Appeared in the sky; with Him were,  
The saints of all ages clad in purest white,  
Every eye shall behold Him,  
Every knee shall bow before Him,

Angels put in their sickles and,  
Harvested the ripened grains,  
Repent and be saved,  
Because the Kingdom of God is at hand,  
My Will and My Word will be performed,  
Prepare the way for the Lord,  
Because surely the King is come,  
Praise the Lord because He is good,  
And His love endures forever and ever,  
I am a sinner of the deepest dye,  
And not born for any end except repentance,  
I can never easily keep silent about it,  
No more does Adam who sinned against God,  
When by confession he has been restored unto paradise,  
Adam is redeemed and restored,  
He sings praises to God,  
O Master, blot out lawlessness from under heaven,  
Put an end to lawlessness from off the face of the earth,  
I lift up my hands to you and,  
Turn not Your face from the son of Your servant,  
You blessed Abraham and said You will give,  
Him righteous seed, be blessed forever O King,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.

### **Boldness**

Hear the voice of Your servant,

That I may be near You,

Make me a partaker in Your Word,

To do true Judgements forever,

Unto everlasting generations,

Remove not Your servant from Your holy face,

All the days of eternity,

I keep silent yet I do sing,

I thank You, O Lord and my King,

I praise You, O God my Savior,

I give praise unto Your name,

You are my Defender and Helper,

You have preserved my soul from destruction,

You deliver me according to the multitude of Your mercies,

I call upon the Lord, the Father of my Lord,

Never leave or abandon me in the days of trouble,

I praise Your name continuously,

I sing praises with thanksgiving,

I ascribe glory unto Him that gives me wisdom,

The Lord has given me a tongue as my reward,

I will praise Him thereby,  
Let my soul rejoice in His mercies,  
And be not ashamed of His praises,  
To the Lord our God belongs all righteousness,  
But unto us the confusion of faces,  
We sinned against Him but,  
He has turned His wrath away from us,  
To the Lord our God appertains righteousness,  
But unto us open shame,  
We have sinned against the Lord,  
And hearkened not unto His voice,  
To walk in the commands that He has set before us,  
O Lord, You deal with us with all Your goodness,  
And according to Your great mercies,  
O Lord God, King Almighty, the whole world is in Your power,  
You have appointed Your Son to save us,  
You have created heaven and earth,  
And all wondrous things under the heavens,  
You are Lord over all things,  
There is no one that can resist You,  
O Lord and King spare Your people,  
Be merciful unto Your inheritance,  
Turn our sorrow into joy that we,  
May live and praise Your holy name,

O Lord make Yourself known in the time of our affliction,  
Give me boldness, O King of the nations and Lord of all powers,  
You hate the glory of the unrighteous,  
O God of Abraham, mighty God above all,  
Deliver me from my fears,  
Wonderful are You O Lord,  
Your countenance is full of grace,  
God, grant me the serenity to,  
Accept the things that I can never change,  
The courage to change the things that I can,  
And wisdom to know the difference of the two,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### Altar

Glory to the Lamb because,  
You are worthy to be praised,  
Sovereignty to the Lamb,  
Because You are worthy to be praised,  
The Lamb is Sovereign,  
This is the end of my suffering,

I will go there with the angels to see the Lord,  
The first group of souls has lamps burning in their souls,  
The second have their lamps extinguished,  
The third have no lamps at all,  
These are the three categories of people on earth,  
The first group has accepted Jesus Christ in their lives,  
They walk faithfully in His principles,  
They seem to walk slowly because,  
They accept the suffering inflicted upon them,  
The second group accepted Jesus but,  
When the goodies of this world come,  
They abandon God for the pleasures of this passing world,  
The third group never accepts Jesus into their lives,  
When I come to rapture My bride,  
I will take those who have shining lamps,  
Complete and ultimate expression of My love,  
I move you from glory to glory in me,  
And in all creation breathed from the essence of who I am,  
Praise and glorify the King Eternal,  
Prepare your vessel to receive the new wine,  
To God be the glory,  
Praise be to His righteous and holy name,  
I cover you with the blood of Jesus,  
The covenant of God,

You are to rebuild the old ways and reopen them,  
You are to rebuild the altars of God,  
When people kneel in church and seek God,  
They say: God, here I am at the altar,  
This is me, Lord; I have these and these problems,  
I am a sinner; I have done this and that,  
God said: As they pour out their hearts,  
To Me at the altar,  
They are making themselves an altar to Me,  
This is the altar of the heart,  
I want to clean out the altars in their hearts,  
I want those seeking Me to tell Me the truth,  
Because truth and righteousness can meet together,  
Confess those things to make a new commitment with Me,  
I will wash away the debris by My fire, My Spirit,  
I am a holy and righteous God,  
They shall have no other gods before Me,  
At times I will step out and fight for My children Myself,  
Wow Lord, how beautiful to behold,  
O God, You are so wonderful,  
You are the Word,  
Blow the trumpet in Zion,  
Lift up your voice like a trumpet,  
Tell My people their transgression,

So that they will return to Me,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### Red Carpet

I saw a great angel flying in the heavens,  
He had a scroll in one hand and a bowl of fire in the other,  
God wants to put fire upon His children,  
To purge and purify them so that they can be cleansed,  
Glory to God! Alleluia!  
How I thank You for the fire,  
God, the purging and the cleansing,  
Anoint us with the fire of the Holy Spirit, O Everlasting Father,  
God sends His fire to purge His children,  
To take out the old leaven from those who allow Him,  
Hear the power of the Almighty God,  
It is burning out diseases and sicknesses,  
The same fire of purification that,  
Brings us joy, peace and healing,  
Will punish the wicked and bring His judgement upon them,  
I will make justice the measuring line,  
And righteousness the plummet,

Angels come into churches from outside,  
Through the front door that faces the pulpit,  
When Christ was coming in that service,  
They begin to sweep the ground with their wings,  
They fan the floor and a royal red carpet,  
Is laid out for Christ to walk upon,  
The angels then form two parallel rows,  
Down the middle aisle of the church,  
The congregation would not be able to see,  
But the heavenly messengers lift up,  
Trumpets and blow because the King is about to arrive,  
A large chariot comes to the main door,  
Huge angels would open the spiritual doors,  
Christ would come in,  
O my, He is so beautiful,  
Angels escort Him and bring messages in books and scrolls,  
O I feel the presence of the Lord,  
Praise the mighty King of kings and Lord of lords,  
Christ walks through the sanctuary and,  
Touches certain people on the head,  
The anointing of God is so real,  
Believe that He will manifest His glory in our services,  
Alleluia! God paid the price for our deliverance,  
Our Lord Jesus did it for us,

Receive full and absolute forgiveness,  
Our powerful Savior is worthy to be worshipped and honored,  
The Lord is near unto them that turn to Him,  
I will sing a hymn to the Lord my God,  
He has visited me,  
The Lord gave me a fruit of His righteousness,  
Single and manifold before Him,  
The Lord is Your name,  
Your sanctuary and terbanacle is where Your gracious name rests,  
You are God of my father,  
God of the inheritance of Israel,  
Lord of heaven and earth, creator of the waters,  
King of all Your creation,  
Your glorious name be exalted for all eternity,  
There is no other that protects,  
Your people but You alone,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### **New Psalm**

Begin a song to my God with pianos,

Sing to my Lord with guitars,  
Raise to Him a new psalm,  
Exalt Him and call upon His name,  
I will sing to my God a new song,  
O Lord, You are great and glorious,  
Wonderful in strength and invincible,  
Let all Your creatures sing praises,  
You sent forth Your Spirit and we were created,  
Mountains shall be shaken to their foundation,  
At Your presence the rocks shall melt like wax,  
To those who fear You; You continue to show them mercy,  
He who fears the Lord shall be great forever,  
Woe to them that rise up against Your saints,  
The Lord Almighty shall take vengeance,  
On them on the day of judgement,  
Fire and worms He will give to their flesh,  
They shall weep in pain forever,  
Blessed are You O Lord my God,  
Blessed is Your holy and honored name,  
May all Your works praise You forever,  
Give alms from your possession to them that walk uprightly,  
Never turn away your face from any poor man,  
And God's face will never be turned away from you,  
Bless the Lord God on every occasion,

God who dwells in heaven shall prosper you,  
His angels will attend unto you,  
Blessed are You O God of our fathers,  
Blessed be Your holy and glorious name forever,  
Let the heavens and all Your creatures bless You,  
Blessed are You O God with every pure and holy blessing,  
Let Your saints and all Your creatures bless You,  
Let all Your angels and chosen people bless You forever,  
Blessed are You because You make me glad,  
Blessed are You because You have had compassion,  
Show mercy and bring my life to fulfillment,  
The God of heaven will prosper you,  
Blessed are You, O God, blessed is Your name forever,  
Blessed are all your holy servants,  
Praise God and give thanks to Him,  
Exalt Him and give thanks,  
In the presence of all the living,  
Because of what He has done for you,  
Worthily declaring the works of God,  
Blessed is God, who lives forever,  
Blessed is His Kingdom forever,  
Acknowledge Him before the nations,  
Make His greatness known,  
Exalt Him in the presence of all the living,

He is our Lord and God,  
He is our Father forever,  
No one can escape His hand,  
Give thanks to Him with your full voice,  
Praise the Lord of righteousness,  
Exalt the King of the ages,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.

### Jerusalem

I exalt the Lord,  
My soul exalts the King of heaven,  
And will rejoice in His majesty,  
Let all men speak and give thanks,  
Give thanks worthily to the Lord,  
Many nations will come from afar,  
Bearing gifts in their hands,  
Gifts for the King of heaven,  
Generations of generations will give You joyful praise,  
Blessed forever will be all who love You,  
Rejoice and be glad for the souls of the righteous,

Because they will be gathered together,  
And will praise the Lord of the righteous,  
How blessed are those who love You,  
They will rejoice in Your peace,  
Rejoice for You upon seeing all Your glory,  
They will be made glad forever,  
Let my soul praise God the great King,  
Because Jerusalem is built with sapphires and emeralds,  
Her walls with precious stones,  
Her towers with pure gold,  
Its streets are paved with ruby and stones of Ophir,  
All her lanes sing Alleluia! And give praise,  
Blessed is God, who has exalted you forever,  
The Lord will exalt all His people,  
Because God created man for incorruption,  
And made him in the image of His own eternity,  
Our hope is full of immortality,  
Because created us and,  
Found us worthy of Himself,  
Like gold in the furnace He tries us,  
We will govern nations and rule over people,  
And the Lord shall reign over us,  
The righteous live forever, our reward is with the Lord,  
Most High Eternal King takes care of us,

We will receive glorious crowns of life,  
And beautiful diadems from the hand of the Lord,  
Because with His right hand He covers us,  
With His mighty arm He shields us,  
I count all wealth as nothing compared to Your Spirit,  
I called upon God and His Spirit came upon me,  
O how beautiful and tall is the Spirit of God,  
Who sitteth upon the tree of life,  
Till Jesus sent Him forth to the world,  
I prefer You to scepters and thrones,  
Neither do I liken You to any priceless gem,  
Because all gold is a little sand in Your sight,  
Silver is accounted as clay before You,  
I love You more than health and beauty,  
I choose to have You rather than sun's light,  
Because the radiance of Your light never ceases,  
All goods come to me along with Him,  
In His hands uncountable wealth,  
You sent Your Spirit from the holy heavens,  
From the throne of Your glory,  
That He may be with me as I toil,  
That I may lean what is pleasing to You,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.

### **Manna**

Praise the Lord of hosts,

Because the Lord is good,

His mercy endures forever,

I tell people we must get right with God,

The church altar is filled with people,

Who come forward for prayer,

I saw God's glory come down and hovering around them,

God's arms were outstretched to receive them,

Then I take the stony hearts from them,

And give them a heart of flesh,

I am the resurrection and the life,

Stand with the Word of God,

No matter how hard the waves hit,

When My righteousness covers My children,

And they are living holy lives before Me,

My covenant, the atonement stands for them and their families,

When they are doing the best they can,

A hedge of protection surrounds them,

My atonement still stands today,

When mercy and truth meet together,  
How precious and wonderful the Lord is,  
It is always in Your power to show great strength,  
And who can withstand the might of Your arms,  
Because the whole world before You,  
Is like a speck that tips the scales and,  
Like a drop of morning dew that falls upon the ground,  
You spare all things because they are Yours,  
O Lord who love the living,  
Your strength is the source of righteousness,  
Your Sovereignty over all cause You to spare us,  
Because when the arrogant giants were perishing,  
The hope of the world took refuge on a raft,  
And guided by Your hand left to the world,  
A seed of a new generation,  
Blessed is the wood, by which righteousness comes,  
To know You is complete righteousness,  
To know Your power is the root of immortality,  
You give Your people the food of angels,  
Without their toil You supply for them,  
From heaven with bread ready to eat,  
Providing every pleasure and suited to every taste,  
Because Your sustenance manifests,  
Your sweetness towards Your children,

O Lord it is not the production of crops that feeds man,  
But Your Word preserves those who trust in You,  
Manna left on the ground was warmed by rays of the sun,  
To make it know that we must rise early,  
Before the sun shines to give You thanks and,  
Must pray to You before the dawning of the light,  
You provide a flaming pillar of fire,  
As a guide for Your people's unknown journey,  
Those who made Your children slaves,  
Through whom the imperishable light of the law,  
Was to be given to the entire human population,  
They resolved to kill the babies of Your holy ones,  
One child You rescued to take away,  
In punishment the multitude of their children,  
And You destroyed them all together in the red sea,  
That night was made known beforehand that Your people may rejoice,  
The deliverance of the righteous and,  
The destruction of their enemies is sure,  
You call us to Yourself and glorify us,  
The Lord reigns forever and ever,  
Holy, Holy, Holy is the Lord of hosts,  
And the Lord shall be King over all,  
In that day shall the Lord be one,  
And His name One.
